Mr. Jackson,

I appreciate your time in researching this information. Mr. Rodriguez provided me with the data. Our 11 EIC's stands at 25% of the 44 total EIC's issued in Texas. The Elections Administrator and the Dallas County Commissioners Court have expressed a strong desire to have more Mobile EIC Locations in Dallas County, and set a precedent for executing initiatives like this. Please consider scheduling more locations in Dallas County; with more lead time and with our experience, we know we could be of even greater service to our citizens. Alternatively, let us know how we can help with the Saturday EIC locations in Dallas County to help make them more productive.

We look forward to your reply, and to serving our citizens.

Sincerely,

Robert Heard Sr.

Mr. Heard,

I am happy to try to get this information from my contacts at the Department of Public Safety. Since they are the issuing authority for that form of identification, they would have the latest numbers. I should hear back from them shortly and will let you know as soon as I do.

Best,
Wroe
